I. PHILOSOPHY OF EDUCATION/MISSION STATEMENT

DIOCESAN PHILOSOPHY OF CATHOLIC EDUCATION

*Go, therefore, and make disciples of all nations
Teaching them to carry out everything I have commanded you.*

Matthew 28:19-20

These words of Christ addressed to the apostles at the Ascension bestowed on the Church the office of teacher. Obedient to this divine challenge, the Church provides education permeated with the spirit of Christ and dedicated to promoting the full development of the human person.¹ The two-fold goal of Catholic schools is to provide an environment which will foster rich religious training as well as solid academic education in a Catholic, value-oriented manner.

¹ Declaration on Christian Education #3

DIOCESAN MISSION STATEMENT

The Catholic schools in the Diocese of Arlington are an essential component in the educational ministry of the Church. Our schools are committed to providing an education rooted in the Gospel of Jesus Christ where Catholic doctrine and values and academic excellence prepare each student for a life of faith, service, and integrity.

SCHOOL MISSION STATEMENT/PHILOSOPHY

MISSION STATEMENT

Epiphany Catholic School, a Christ-centered environment, is dedicated to developing the whole child through academic excellence and nourishing servant leaders in the footsteps of Jesus.

PHILOSOPHY STATEMENT

Epiphany Catholic School, of the Arlington Diocese, fosters academic excellence and emphasizes that the love and teachings of Jesus Christ are central to every child's education.

Within this environment, Epiphany strives to foster the natural curiosities and talents inherent in each child. The dedicated faculty and staff partner with parents to create an educational experience that encourages students to reach their full potential by instilling Catholic values and nourishing servant leaders in the footsteps of Jesus.

STUDENT/PARENT HANDBOOK

Each school shall utilize the Office of Catholic Schools (OCS) template to develop and distribute

a handbook for students and parents. All local policies and procedures must be in conformity with the Office of Catholic Schools' policies, guidelines and regulations.

A committee, representative of the total school community, shall be involved in the development and periodic revision of this handbook. The handbook shall be updated annually to reflect policy and procedural changes. Principals shall establish a process for review and revision of local school policy to ensure changes reflect the input of key stakeholders. All parents, along with students in middle and high school, are required to provide a signature of receipt acknowledging they have read the rules and regulations outlined in the handbook, and they agree to abide by those rules (Appendix AG-1 and AG-2). A signature form will be provided to students upon receipt of the handbook and the form must be signed and returned as soon as possible, but no later than the date of the school's Parent/Teacher Conferences. Failure to have a signed form on file will not prevent the school from enforcing its policies and or preventing a student from enrolling or continuing to be enrolled at the school.

Faculty and staff members shall be given access to copies of all school handbooks.

Handbooks and all subsequent changes are subject to prior written approval by the Diocese. To the extent any local handbook or policy statement therein may be inconsistent with the policies, guidelines, or regulations of the Office of Catholic Schools, the Office of Catholic Schools' policies, guidelines, or regulations shall be of controlling force and effect.

PARENTAL/GUARDIAN ROLE

Since parents/guardians have given their children life, the Catholic Church recognizes parents as the primary and principal educators of their children. The Catholic parents' promise at baptism to raise their children as Catholics supports this premise. The Catholic school exists to assist parents in the Christian formation of their children.

In this Handbook, the term "parent" refers not only to a child's natural or adopted parent, but to a student's non-parent legal guardian or to any person or agency authorized to act in place of parents.

The Diocese of Arlington Office of Catholic Schools respects the role of parents as the primary educators of their children. Since the school is a continuation of the education children are receiving at home, Diocesan schools should demonstrate respect and support for the parents in their important and challenging tasks.

Parents are expected to support the school's mission and commitment to Christian principles and support the school policies as outlined in school handbooks (i.e., annually sign the school's Handbook Agreement Form). One of the conditions for initial and continued enrollment at the school is receipt of this signed form indicating the parent's support of the school's philosophy, policies, and regulations.

In the event a parent desires to discuss a problem with his/her child's teacher, the parent should make an appointment for a private meeting with the child's teacher. Teachers welcome the opportunity to discuss a matter of concern with parents before it becomes an actual problem. Any

parent who wishes to speak with the principal may do so, but after an initial meeting with the classroom teacher. Similarly, parents should discuss matters of concern with the school principal, and pastor when necessary, before bringing them to the Office of Catholic Schools.

If a parent repeatedly or seriously violates proper school protocol, displays inappropriate or disruptive conduct toward students, or displays disrespectful, disruptive or harassing behavior toward teachers or toward school, parish, or diocesan staff (in verbal, written, or digital form), the school may take corrective action. Such corrective action may include, at the discretion of the principal (and, for parish schools, the pastor of the parish) the following: imposition of particular rules or procedures the parent must follow in interacting with the school and its students and staff; restriction or termination of the parent's access to school or parish property; dismissal of the parent's child(ren).

The school may impose other appropriate corrective action, without prior recourse, based upon the nature of the parent's conduct and the surrounding circumstances.

As foundation for a faith-community, parents are invited and encouraged to participate in the school's celebration of prayer and Liturgy.

Parents are encouraged to participate in the programs, which are developed for the education of their children. The wide spectrum of this involvement includes volunteer work, participation in parent-teacher conferences, attendance at meetings and seminars designed to help parents assist their children at home, and active involvement in the school's Parent-Teacher Organization.

NON-DISCRIMINATION CLAUSE

Catholic Schools, administered under the authority of the Catholic Diocese of Arlington, comply with those constitutional and statutory provisions, as may be specifically applicable to the schools, which prohibit discrimination on the basis of race, color, sex, age, marital status, disability, national origin, or citizenship in the administration of their educational, personnel, admissions, financial aid, athletic, and other school administered programs.

This policy does not preclude the existence of single sex schools, nor does it conflict with the priority given to Catholics for admission as students. This policy also does not preclude the ability of the school to undertake and/or enforce appropriate actions with respect to students who advocate on school property or at school functions, any practices or doctrines which are inconsistent with the religious tenets of the Catholic faith.

NON-CATHOLIC STUDENTS

The presence of students from other faiths provides a wonderful diversity to the school. However, the presence of non-Catholic students in the school shall not alter the primacy of Catholic religious formation as an integral component of the educational program in the school. As such:

- a. Non-Catholic students are expected to participate in the religious formation and education programs of the school.

- b. Non-Catholic students must participate in liturgies (except for reception of the Eucharist), retreats, other religious functions, and religion classes for credit.
- c. Non-Catholic students may be exempt from formal co-curricular or extra-curricular sacramental preparation programs but not from the catechesis held during the school day.
- d. Students are expected, for testing and discussion purposes, to be knowledgeable of the Catholic Church's positions on scripture, revelation, and moral practices. While Catholic teaching respects the various faith traditions of the students attending the Catholic school, parents/guardians must be aware that it is the Catholic position that will be taught.

In light of the unique situations which may arise in the educational process, and because it is impossible to foresee all school issues that arise, the faculty and administration reserve the right to address and to take appropriate action for any such situations not specifically referenced in this manual. In addition, in view of the unique and essential religious mission of the school, it is expressly understood that the school may take action in cases where moral offenses occur which reflect adversely on the school, the Catholic Diocese of Arlington, or the Roman Catholic Church, or which interfere with the ability of the school to perform its religious mission or effectively maintain the intimate working relationship of the school and the Community of Faith.

This handbook may be modified by the school after reasonable notice to the parents/students of the effective date of any changes. Any section headings are for convenience of use and shall not affect the interpretation of any provisions. If the school should elect not to take action in a particular situation, this shall not be construed or interpreted as a waiver or preclude the school from acting in a subsequent situation of the same or similar kind.

II. ACADEMICS

CURRICULUM

Curriculum encompasses the sequentially ordered learning experiences which the school provides for its students virtual and in person. The total curriculum includes the development of Catholic values and attitudes, as well as the attainment of knowledge and skills necessary for the student's spiritual, moral, intellectual, social and physical development.

The basic curriculum for the school (but not necessarily for each grade level) includes the following subjects: Religion, Reading, Language Arts (English, Spelling, Handwriting), Mathematics, Science, Social Studies, Fine Arts (Art and Music), Health and Safety, Physical Education, Technology, Library and World Languages.

The following path is outlined for those students capable of completing High School Geometry in the eighth grade.

GRADES FIVE TO SIX

For Placement in Pre-Algebra in the sixth grade:

Students must satisfy the following criteria:

- a. Math Composite standardized test score National Percentile: 96 or above on the Spring Scantron Performance Series Exam.
- b. Class grade in 5th grade math: 93 or above.
- c. End of year diocesan comprehensive grade-level test: 93 or above (Recommended time of testing – May of 5th grade year).
- d. Favorable teacher and principal recommendation.

GRADES SIX TO SEVEN

For Placement in Algebra I in the seventh grade:

Students must satisfy the following criteria:

- a. Math Composite standardized test score National Percentile: 96 or above on the Spring Scantron Performance Series Exam.
- b. Class grade in Pre-Algebra: 93 or above.
- c. Iowa Algebra Aptitude Test results: 85 or above (Recommended time of testing – May of 6th grade year).
- d. Favorable teacher and principal recommendation.

Because the Algebra I course incorporates numerous word problems that students need to solve,

a teacher's recommendation should take into consideration the reading comprehension standardized test score when making a final decision for placement in Algebra I.

GRADES SEVEN TO EIGHT

For Placement in Geometry in the eighth grade:

Students must satisfy the following criteria:

- a. Math Composite standardized test score National Percentile: 96 or above on the Spring Scantron Performance Series Exam.
- b. Class grade in Algebra I: 93 or above.
- c. Scoring 77% on the Diocesan Algebra I exemption exam.
- d. Favorable teacher and principal recommendation.

The following path would be followed by those students identified as capable of completing High School Algebra in the 8th grade.

GRADES SIX TO SEVEN

For Placement in Pre-Algebra in the seventh grade:

Students must satisfy the following criteria:

- a. Math Composite standardized test score National Percentile: 93 or above on the Spring Scantron Performance Series Exam.
- b. Class grade in 6th grade math: 93 or above.
- c. End of year diocesan comprehensive grade-level test: 93 or above (Recommended time of testing – May of 6th grade year).
- d. Favorable teacher and principal recommendation.

GRADES SEVEN TO EIGHT

For Placement in Algebra I in the eighth grade:

Students must satisfy the following criteria:

- a. Math Composite standardized test score National Percentile: 93 or above on the Spring Scantron Performance Series Exam.
- b. Class grade in 7th grade math: 93 or above.
- c. Iowa Algebra Aptitude Test results: 80 or above (Recommended time of testing – May of 7th grade year).
- d. Favorable teacher and principal recommendation.

The Algebra I course incorporates numerous word problems that students need to solve. As such a teacher's recommendation should take into consideration the reading comprehension standardized test score when making a final decision for placement in Algebra I.

Eighth grade students must satisfy the following criteria to receive credit for Algebra I instruction and placement in the next level of high school math instruction:

- a. Pass the Algebra I course
- b. Score 77% or above on the Diocesan Algebra I exam
- c. Receive teacher recommendation for placement in the next level of high school math instruction

If a student does not score 77% or above on the exam, a compelling case made by the teacher through the use of the Teacher Recommendation Form (*Appendix X*) can be forwarded to the high school. The decision of the high school will be final.

VIRTUAL INSTRUCTION

1. Maintain effective communication between teachers, students and families about the virtual learning plan.
2. Teachers should be available throughout the day for questions and feedback even if the day is fully asynchronous.
3. Feedback is paramount and students should be accountable for their work. Assignments shall be assessed in a timely manner to provide feedback to the student.

IMPLEMENTATION OF FAMILY LIFE PROGRAM

Catechesis in Sexuality is an important and sensitive component of a comprehensive program of catechesis. According to the Second Vatican Council, "As they (children and young people) advance in years, they should be given positive and prudent sexual education." Education in sexuality includes all dimensions of the topic: moral, spiritual, psychological, emotional, and physical. Its goal is training in chastity in accord with the teaching of Christ and the Church, to be lived in a wholesome manner in marriage, the single state, the priesthood, and religious life.

TEXTBOOKS/SUPPLEMENTAL MATERIALS

The cost of textbooks, both consumable and permanent textbooks, are included in the cost of tuition. Only texts approved by the Office of Catholic Schools are used. Epiphany Catholic School will research new textbook adoptions as needed. Parent input is appreciated.

Lost or damaged textbooks must be replaced at cost (including shipping charges) by the family. The classroom teacher will notify the office when a book is lost/damaged so replacement may be made in a timely manner.

TECHNOLOGY – RESPONSIBLE USE POLICY

There is no expectation or right to privacy or right to freedom of speech when using the school's computer resources, which are the school's property. Any use of the school's computers and Internet access must be in support of education and research and be consistent with the educational objectives of the Office of Catholic Schools.

Using school facilities for Internet access and e-mail is a privilege, not a right. Inappropriate use which includes, but is not limited to, unauthorized transmittal or improper use of copyrighted materials or materials protected as trade secrets; transmission of threatening or obscene materials; vandalism of computer files; and violation of computer security as determined by the school administration can result in a cancellation, denial, suspension and/or revocation of those privileges by the school administration and also subject the user to other disciplinary action.

Electronic and/or digital communications with students should be conducted for educationally appropriate purposes and employ only school sanctioned means of communication.

Users must adhere to local school policy that may further define uses of mobile devices. Access will be determined by the administration of the school. If a particular mobile device is to be used for an educational purpose, the school administration and/or teacher will provide parameters for this use.

Additional responsibilities for use of school facilities for the Internet and e-mail are:

- a. When using networks or computing resources of other organizations, students must observe the rules of that organization regarding such use.
- b. Users should not reveal their personal addresses or phone number(s), and shall not reveal the personal address or phone number(s) of others without their authorization/permission.
- c. Users are reminded that electronic mail (e-mail) is not guaranteed to be private. Operators of the network/system have access to all mail. Messages relating to, or in support of illegal activities, may be reported to the authorities.
- d. Students shall immediately notify the system administrator/school administration if they suspect that a security problem with the system and/or the Internet exists.
- e. Any attempt to log onto the Internet or the school's network/system as a systems administrator will result in a loss of user privileges at the school. Any user identified as a security risk by the school administration/systems administrator due to a history of actual or suspected unauthorized access to other computer(s), network(s), or system(s) may be denied access to the school's computers, networks, and/or systems.
- f. Users shall abide by generally accepted rules of network etiquette, which include but are not limited to:
 - i. Messages to others shall be polite and shall not be abusive.
 - ii. Messages shall use appropriate language and shall not use obscenities, vulgarities, or other inappropriate language.

- iii. Use of the network shall not disrupt use of the network by others.
- g. The Diocese/school makes no warranty of any kind, whether express or implied, for Internet service. The Diocese/school will not be responsible for any damages suffered. This includes loss of data resulting from delays, non-deliveries, mis-deliveries, or service interruptions caused by its own negligence, user errors, or omissions. Use of any information obtained via the Internet is at the user's risk. The school specifically denies any responsibility for the accuracy or quality of information obtained through its services.
- h. Examples of Unacceptable Uses – Users are not permitted to:
 - i. Use technology in sexting or cyber bullying: to harass, threaten, deceive, intimidate, offend, embarrass, or annoy any individual.
 - ii. Post, publish, or display any defamatory, inaccurate, violent, abusive, profane, or sexually oriented material. Users must not use obscene, profane, lewd, vulgar, rude, or threatening language. Users must not knowingly or recklessly post false information about persons, students, staff, or any other organization.
 - iii. Use a photograph, image, video, or likeness of any student or employee without express permission of the individual, individual's parent/guardian, and the principal.
 - iv. Create any site, post any photo, image, or video of another except with express permission of that individual, individual's parent/guardian, and the principal.
 - v. Attempt to circumvent system security.
 - vi. Deliberately visit a site known for unacceptable material or any material that is not in support of educational objectives.
 - vii. Violate license agreements, copy disks, CD-ROMs, or other protected media.
 - viii. Use technology for any illegal activity. Use of the Internet for commercial gains or profits is not allowed from an educational site.
 - ix. Breach confidentiality obligations of school or school employees.
 - x. Harm the goodwill and reputation of the school or school employees.
 - xi. Transmit any material in violation of any local, state, or federal law. This includes, but is not limited to: copyrighted material, licensed material, and threatening or obscene material.

Users must immediately report damage to the appropriate school officials.

- j. The school has the right to monitor student use of school computer, computer accessed content, and social media. Social media refers to activities that integrate technology, telecommunications, and social interaction through the use of words, images, video, or audio tools. Examples include, but are not limited to, social websites, blogs, message boards, wikis, podcasts, image and/or video-sharing sites, live webcasting, and real-time communities. Because this is a constantly evolving area, this policy applies to all new social media platforms whether or not they are specifically mentioned in this policy.

- k. Violation of the above policy will be dealt with by the administration of the school. Violation of this policy may result in any or all of the following:
 - i. Loss of use of the school network, computers, and software including Internet access.
 - ii. Disciplinary action including, but not limited to, dismissal and/or legal action by the school, civil authorities, or other involved parties.
- l. The school retains the right to discipline students for their actions, regardless of when or where they occur, when those actions negatively impact the school's image, reputation, and/or the safety and well-being of the school community. This covers inappropriate behavior in cyberspace including but not limited to messages, chat room commentary, comments/pictures, postings on social networking sites, blogs, wikis, gaming chats, digital transmissions, and other technology related activity.

MIDDLE SCHOOL TECHNOLOGY PROGRAM

Epiphany Catholic School believes that a digital classroom can assist teachers in meeting the learning needs of all students and their learning experience will be enhanced with this essential tool. Therefore, all Middle School students are required to purchase a Chromebook through the school.

In addition to following the **Responsible Use Policy** outlined in the ***Parent/Student Handbook***, students and parents are required to review and sign the *Acceptable Use Policy*, as well as sign the accompanying agreement, to protect the hardware and software inherent with this technology. Please note that teachers may set additional requirements for tablet use in their classroom.

Each tablet and related components are school property until the assigned student no longer attends Epiphany and the device has been paid for in full.

Students are responsible for the general care of their device. It is the responsibility of the student's family to call customer service, as soon as possible, if a tablet is broken or fails to work properly. It is also the responsibility of the student's family to process an insurance claim if necessary. Please see section 9 of the *Tablet User Agreement* for more information on loss or damage.

The Chromebook devices issued to students will include a

- charging cord

Parents/students will provide the following required accessories:

- Stylus
- Soft zip bag
- Earbuds

Optional parent supplied accessories include:

- Screen protector

- Portable battery/charger

The devices will be distributed during the first weeks of the academic year. The school will install, approve, or oversee the installation of software and apps. The school will also manage the access of online content for age appropriateness.

At the end of the school year, all components of the devices will be collected from each student for maintenance over the summer break. All components of the students' assigned devices will be returned for use during each school year while enrolled at Epiphany.

Any student who transfers out of Epiphany will be required to return all components of the device unless the cost of the device has **been paid in full**. If a student leaves after one or two years of using the device, they will have the option to pay the remaining balance on their device and keep it for their personal use.

TESTING

The school's testing program is intended to assist teachers and administrators in a systematic evaluation of the academic and religious programs, to diagnose students' strengths and weaknesses, and to aid in the revision of the curriculum and planning of instruction.

In addition to academic tests for grading purposes, the school will administer standardized religion and achievement tests according to the diocesan testing program. All eighth-grade students take the high school placement test used in determining placement in diocesan high schools. Eighth grade teachers are encouraged to review only the format and style of the high school placement test with their students.

Testing Program

- PALS - Fall and Spring (Kindergarten and Preschool literacy assessment)
- High School Placement Testing-December
- NWEA Standardized Testing for Grades 3-7
 - Window 1: September
 - Window 2: January
 - Window 3: May
- ACRE Testing (Grades 5 and 8): April
- Foreign Language Testing - May

HOMEWORK

In order to reinforce daily work and develop good study habits, the school promotes specific homework policies.

Although homework has different purposes at different grades, homework is required at all grade levels. The amount of homework a child may have on any given day will vary depending upon the nature of the assignment, the amount of work the child completes in school that day and the speed at which the child completes his/her work at home.

SUGGESTED TIME ALLOTMENTS

Kindergarten	10-20 minutes
1st and 2nd Grades	20-30 minutes
3rd Grade	30-40 minutes
4th - 5th Grade	45-60 minutes
6th - 8th Grades	60 minutes to 2 hours

Homework assignments are to be listed on the board or homework chart, allowing all students ample time to record their assignments in their homework folder/agenda given to students at the beginning of the year.

Homework is given to supplement and reinforce the various subjects taught in class. Research indicates homework given in an amount that can be reviewed the following day is the most beneficial to student learning. Work is assigned at the discretion of the teacher. Assignments may be in the form of short and long-range projects. In general, homework should not be given on holidays and evenings when a school performance is scheduled.

Students in Grades 6-8 who do not complete homework will be given a 0% in the grade book. The student will have one class day to make up the assignment and have the homework signed by a parent. The 0% will be changed to a 70%.

Teachers will provide a homework folder containing make-up work for students who are absent. Students who are absent get two school make-up days for every one missed school day. Saturday and Sunday do not count as the two make-up days.

If a student misses tests due to illness, they can be expected to make up for the test when they return to school. Teachers may delay testing if necessary.

PARENT-TEACHER COMMUNICATION

Teachers are expected to be reasonably available to parents/guardians throughout the school year to keep the lines of communication open in the best interest of the students. Parent-teacher conferences can be scheduled throughout the school year if necessary. Parents should first privately contact a teacher with any concerns about a student or class concerns before seeking intervention by the school administration.

SCHEDULING AND OTHER CONFERENCE INFORMATION

Annual Parent/Teacher conferences will be held in November. Parents are asked to schedule time with the teacher to discuss their child's progress.

Parent-Teacher conferences during the school year may be scheduled upon the request of the parent or teacher. Teachers should be available to parents, and parents likewise available, throughout the school year to keep the lines of communication open in the best interest of the student.

Parents are asked to respect the teacher’s arrival time between 7:30am – 8:00 a.m., as their attention is to be focused on preparing for the school day and managing the students within the classroom. **Teachers will not be available to meet at these times unless scheduled.** Please schedule a meeting with the classroom teacher either through an email, the agenda, a written note, or by leaving a message for the teacher in the school office.

GRADING/REPORT CARDS

Overall evaluation of the student must be based on teacher judgment and observation of the student’s daily work, class participation, effort, and performance on teacher prepared tests (to include but not be limited to projects, portfolios, and other tools of assessment).

The purpose of report cards is to alert the parents/guardians and present to them an assessment of their child’s achievement in his/her academic studies.

Students with identified disabilities who have a current IEP or Student Assistance Plan should receive an asterisk on their report card grade when modifications have been made to the curriculum. A modification changes the content, instructional level, or student workload of subject matter or tests. Conversely, accommodated programs should not be denoted.

GRADING SYSTEM

Grades K-2

- M Meets Grade Level Standards – Child consistently meets skills
- P Progressing Towards Grade Level Standards - Child is in process of developing skill

- 1 Needs Improvement
- X Unsatisfactory

Parent access to student grades is made possible online through the Parent Portal. Parents will create an account to allow them to view their student’s progress at any time, eliminating the need

for quarterly progress reports. Parents are asked to keep this account information from year to year. By regularly using the Parent Portal, parents will be able to address concerns with their child/ren and teacher as necessary.

PROMOTION/RETENTION/PLACEMENT POLICY

A major goal of the school is to assist students to complete each academic year satisfactorily. The repetition of a grade is recommended when it is deemed by the school to be necessary and advantageous to the particular needs of the student.

- a. The final decision to promote or retain a student is based on the student's academic performance and best interest as determined by the principal.
- b. Teachers will notify parents/guardians if their child is not progressing satisfactorily toward a passing grade in the course.
- c. Elementary students failing one or two academic areas must successfully complete summer school or another program approved by the principal in order to be promoted to the next grade. If a student fails three or more core academic subjects, the student will not be promoted to the next grade.
- d. Students who have not successfully completed summer school or another program approved by the principal but would not benefit from being retained in the grade may be "placed" in the next grade level; however, the school must prepare and implement an "Academic Intervention Plan" for the student as a condition of placement.

SCHOOL COUNSELORS

Epiphany does not have a school counselor on site.

2. III. ADMINISTRATIVE PROCEDURES

ADMISSIONS

DIOCESAN INITIAL ADMISSION REQUIREMENTS

Students who desire an educational experience founded on the Catholic philosophy of education and who fulfill the age, health, academic, and behavioral requirements are eligible for admission to the school.

The school sets registration procedures and admission policies. The availability of space and the order of preference for admission is determined by the school according to the following general criteria:

- a. Children from the parish
- b. Children from parishes without schools
- c. Children from parishes with schools (for sufficient reason)
- d. Children from non-Catholic families

If approved by the pastor, and where practicable, siblings may receive special consideration.

AGE FOR ADMISSION TO KINDERGARTEN

Under Virginia state law (Code of Virginia 22.1-254) school attendance is compulsory for children who have reached their 5th birthday on or before September 30th of any school year. Readiness testing (fine/gross motor, speech, and language screen) is required for kindergarten entry and within 60 days of school admission for new students in grades 1 – 3. Additional school readiness testing may be conducted at the discretion of school officials. In those cases where the school has sufficient reservations regarding the potential for success, those students may be admitted on a conditional basis with dates and criteria of evaluation established in writing; however, the decision of whether to extend or remove conditional admission status should be made by school officials at their discretion.

REQUIREMENTS FOR SCHOOL ADMISSION: PRESCHOOL – GRADE 5

- a. Presentation of an original birth certificate (schools are expected to keep a copy of the certificate on file)
- b. Baptismal certificate for Catholic students
- c. Proof of custody where applicable
- d. Current report card and previous academic years' report card as applicable
- e. Current standardized test scores and previous years, if applicable
- f. Completed Diocesan Application Form (*Appendix J*)
- g. A non-refundable application fee

- h. A fully executed MCH 213G Commonwealth of Virginia School Entrance Form or other U.S. state equivalent, which stipulates the following must be submitted prior to the student beginning school:
 - i. Proof of exact dates of required immunization as required by the Code of Virginia. Immunization records are required to be signed and verified by a licensed healthcare provider.
 - ii. Physical examination covering all required aspects as mandated on the MCH 213G within 12 months prior to entering school for the first time. Equivalent school entrance physical forms from another state may be acceptable. (Note: A preschool physical does not take the place of the required kindergarten entry physical even though it was completed within the 12 months prior to kindergarten entry. This is because some aspects required for kindergarten are not included in a preschool physical – e.g., hearing and vision screening)
- i. Proof of satisfying tuition requirements at any former Diocesan school if previously enrolled in a Diocesan school

REQUIREMENTS FOR ADMISSION TO GRADES 6 – 12

- a. Presentation of an original birth certificate (schools are expected to keep a copy of the certificate on file)
- b. Baptismal certificate for Catholic students
- c. Proof of exact dates of immunization with signature of licensed healthcare provider
- d. Records from previous school, including standardized test scores
- e. Proof of custody where applicable
- f. Completed Diocesan Elementary or High School Application Form (Appendix J)
- g. A non-refundable application fee
- h. Proof of satisfying tuition requirements at any former Diocesan school if previously enrolled in a Diocesan school

GENERAL CONDITIONS OF ADMISSION

A student is admitted to the school on the premise the student intends to learn the Catholic religion and be educated in a Catholic environment. In certain cases, students may be admitted on a probationary basis subject to the student successfully completing one or more subsequent interim evaluations. Students with academic or other needs (i.e., behavioral), which cannot be reasonably addressed by the school, may be denied admission.

School application forms may request disability-related information. The Americans with Disabilities Act (ADA) does not prohibit a school from asking questions about a student's disabilities provided that information does not discriminate (automatically prohibit a student from applying).

F-1 (NON-IMMIGRANT)

1. F-1 (Nonimmigrant) students who apply for admission to a Diocese of Arlington Catholic school will be considered for admission, upon meeting the following conditions:
 - a. Meets Diocesan admission requirements as stated in Policy 601.2;
 - i. A fully executed MCH 213G Commonwealth of Virginia School Entrance Form or equivalent, which stipulates the following must be submitted prior to the student beginning school:
 1. Proof of exact dates of required immunization as required by the Code of Virginia with signature of licensed healthcare provider.
 2. Physical examination covering all required aspects as mandated on the MCH 213G within 12 months prior to entering school for the first time. Equivalent school entrance physical forms from another state may be acceptable. (Note: A preschool physical does not take the place of the required kindergarten entry physical unless it is completed within 12 months prior to kindergarten entry.)
 - ii. F-1 (Nonimmigrant) students who enroll in a school in the Diocese for the first time must provide documentation that they are free from communicable tuberculosis. (Policy 624.1.b).
 - b. Currently holds or is in the process of obtaining an F-1 (Nonimmigrant) student visa;
 - c. Resides at the same U.S. address as the guardian;
 - i. The Guardian cannot house more than two international students. Policy may be amended if requested in writing from a guardian in certain situations; for example, if international students are related to one another and/or related to the guardian
 - d. Pays tuition in full upon school admission;
 - i. There is no refund given for registration, tuition or other related fees; The Diocese of Arlington does not provide healthcare insurance for international students.
 - e. Carries applicable healthcare insurance, including for emergencies, that may be needed while in the United States;
 - i. The Diocese of Arlington does not provide healthcare insurance for international students.
2. Students meeting the above criteria and accepted for admission must complete the Diocese of Arlington *I-20 Application Form* and return the form to the school the student will be attending. The school must forward the Diocese of Arlington *I-20 Application*

Form to the Office of Catholic Schools with the original signature of the principal or admissions director.

3. When a student is transferring *from* another school outside the Diocese, the originating school must transfer the existing I-20 in active status to the Diocese of Arlington. A Diocese of Arlington *International Student Transfer Report* must be completed by the originating school and returned to the Office of Catholic Schools along with the *I-20 Application Form*. It is the responsibility of the parent/guardian to contact the originating school within 15 days of leaving that school to have the I-20 transferred.
 - a. A student must maintain status by attending classes until the transfer release date. Lack of attendance before the transfer date would be a violation of status and the student's SEVIS record should be terminated.
 - b. The student must report to the school within 15 days of the program start date and enroll full time in the first required session/term at the school.
 - c. When a student is transferring *to* a school outside the Diocese of Arlington school system, the Diocese of Arlington must transfer the existing I-20 in active status to the new school. It is the responsibility of the parent/guardian to contact the Office of Catholic Schools within 15 days of leaving the Diocesan school to have the I-20 transferred.
4. In order for international students to maintain F-1 (Nonimmigrant) student status, the Department of Homeland Security requires ongoing accounting. In that regard, schools are responsible for ensuring the enrollment status of all F-1 (Nonimmigrant) students is reported correctly. High Schools will report via the Diocese of Arlington *Semester Report on Status of F-1 (Nonimmigrant) Students* form (Appendix AH). Reports for elementary school international students will be accessed through the Student Information System district database. Specifically, the school shall:
 - a. Submit a *Semester Report on Status of F-1 (Nonimmigrant) Students* form for each high school international student who has been issued an I-20 regarding the enrollment status of any F-1 (Nonimmigrant) student. This form is due to the Office of Catholic Schools within 15 days of the beginning of every semester.
 - b. Create and update elementary F-1 (Nonimmigrant) student records in the Student Information System, ensuring all fields pertaining to international students are completed. All F-1 (Nonimmigrant) student records must be completed and/or updated within 15 days of the beginning of every semester.
 - c. Notify the Office of Catholic Schools via the *Semester Report on Status of F-1 (Nonimmigrant) Students* form if an F-1 (Nonimmigrant) student has been accepted by that school and fails to report to the school within 30 days of their Program Start Date;
 - d. Notify the Office of Catholic Schools via the *Semester Report on Status of F-1 (Nonimmigrant) Students* form within 15 days when an F-1 (Nonimmigrant) student transfers to another school or departs the United States.
 - e. Report via the *Semester Report on Status of F-1 (Nonimmigrant) Students* form any legal change in the name, address, or guardianship of an F-1 (Nonimmigrant) student within 10 days.

5. For students who hold a visa other than F-1, refer to Appendix AJ (*Visa Types*);
 - a. Students who are currently in B-1 or B-2 status cannot begin their studies prior to approval of their change to F-1 (Nonimmigrant) student. Obtaining a change of status is the responsibility of the parent/guardian.
 - b. Students who are currently in B-1 or B-2 status may be enrolled to audit classes at the discretion of the principal for a limited time (generally not more than two months) but must still meet Diocesan admission requirements pertaining to the MCH 213G Commonwealth of Virginia School Entrance Form and provide documentation that they are free from communicable tuberculosis. (Policy 624.1.b).

Any student applicant whose passport, United Nations travel document or other United States Citizenship, and Immigration Services (USCIS) documents indicates that the student is a refugee, asylee, parolee, lawful nonimmigrant or legal permanent resident may be admitted to the schools of the Diocese of Arlington under normal requirements for admission. This policy would also include undocumented children.

CLASS PLACEMENT

The principal/administration and faculty reserve the right to place students in a class which is consistent with the results of the student's prior academic records and any admission testing.

ATTENDANCE

DIOCESAN POLICY FOR ATTENDANCE REQUIREMENTS

In order to achieve the goals and objectives of the curriculum, regular attendance by the student is mandatory.

The school (K-8) is normally in session not less than 180 days per academic year or the length of time as required by the Virginia Catholic Education Association.

- a. Once a student is enrolled in the school, the principal/administration and teachers will insist on regular attendance. Neither the Diocese, the Office of Catholic Schools, the school, nor any of its employees are, however, responsible for ensuring actual attendance. This is the responsibility of the student's parent(s)/guardian(s).
- b. Students in grades kindergarten through grade eight who miss ten or more days of the school year, whether excused or unexcused, and who have not satisfactorily completed the required work, may be considered for retention. Certification of absence by a physician is an exception to the ten-day limit. However, satisfactory completion of required work is still required.

ABSENCE/TARDINESS/LEAVING SCHOOL

In order to ensure continuous progress in school, regular attendance and habits of punctuality are

essential. The school defines proper procedures as:

- a. A written excuse, explaining the reason for absence and signed by the parent/guardian, must be presented upon a student's return to school.
- b. Persistent absences may cause serious academic problems (including but not limited to course failure) and could result in the dismissal of the student. The administration or the class teacher will normally review the matter with parents/guardians before a decision is made by the administration. Persistent absences may also result in the student being subject to appropriate administrative action.
- c. Except in cases of emergency as determined by the principal/administration and/or a faculty member (as applicable or necessary), a student may only (a) be released from school with the prior written authorization of the student's parent/guardian, or (b) leave the school grounds with the prior authorization from the principal/administration.

TARDINESS

The tardy student will normally be subject to appropriate disciplinary action by the school administration or by the class teacher.

A student who is tardy, as determined by local policy, should report to the principal's office or attendance office.

A student who arrives late with an excused reason (i.e. doctor's note) is counted tardy.

The student who is tardy due to unexcused reasons may be subject to appropriate administrative action. Frequent cases of tardiness should be brought to the attention of the principal so that the parent/guardian may be contacted.

ABSENCES FOR OTHER REASONS

When parents wish to take their student out of school for several days for personal and/or medical reasons, the parents should discuss the student's progress with the teacher. However, the school is under no obligation to provide a tutor, make-up work, or special testing schedules for such a period of absence. The administration has the sole discretion to determine the conditions and terms governing such absences.

ATTENDANCE/REPORTING PROCEDURES

ABSENCE

Parents must notify the school office when their child is absent. Students who have been absent are to be readmitted to school with a note from their parent or guardian explaining the reason for their absence. If the student was ill, parents are asked to be specific with the symptoms and/or diagnosis of the illness. This helps to make the school aware of contagious illness. If the child fails to bring a note, the school will contact the family.

Teachers will provide make-up work for students who are absent due to illness. Students who

are absent have two school make-up days to complete work missed due to illness. For example, if a student is absent on Monday, make-up work for that day is due Thursday. Saturday and Sunday do not count as the two make-up days.

Please note that a student will be counted ABSENT if they have not been at school for a minimum of 3 hours & 15 minutes.

TARDINESS

As a form of self-discipline and responsibility, students are expected to report to the classroom by 8:00 a.m. each day. Instructional time is a precious resource and tardy arrivals disrupt the flow of daily classroom routines. K-8 students arriving after 8:00 a.m. are to be accompanied by a parent to the school office and signed in by the parent. Tardy arrivals will be monitored for each child and families will be contacted by the school.

Excessive tardy arrivals have a direct impact on student performance and may impact academic evaluation and promotion. Students need time before school to unpack and get ready for the start of their school day. Chronic tardiness is a serious problem, with the following consequences:

- Tardy #5 - A letter will be mailed to notify parents of excessive tardy arrivals.
- Tardy #8 - Parents will meet with the principal.
Continued tardy arrivals will be addressed by the principal.

MEDICAL EXCUSES

- Students absent due to doctor's appointments will bring an excuse from the doctor's office upon returning to school.
- Students absent with communicable diseases are to present a doctor's note upon returning to school. Parents are to notify the school office with the specific symptoms/diagnosis for the student absence.
- Students who sit out of any regular school activity or class, especially PE, are required to bring written instructions from the doctor noting restrictions and the anticipated return to regular activities.

ANTICIPATED ABSENCE

A school calendar is available to families prior to the beginning of the school year in order that vacation plans, trips, etc. may be scheduled according to school start and end dates, as well as breaks and holidays. Respecting the school calendar teaches children the priority placed on education.

Parents are to contact the principal and the student's teacher well in advance if a child must be taken out of school for scheduled medical procedures, trips, vacations, etc. Recommendations will be made by the teacher(s) for keeping a student current in his/her work. **However, teachers are under no obligation to provide special testing schedules, assignments, tutoring or review of work missed. Students should expect to take tests that they have missed due to absence as soon as they return to school, unless prior arrangements have been made with the teacher.**

RELEASE OF STUDENTS

Only students with written or verbal parental permission will be released from school during the school day. Parents must sign students out in the school office.

PERFECT ATTENDANCE

Each family should strive for Perfect Attendance. Arriving at school on time and to attend all day, every day, is an integral part of Epiphany Catholic School's standard of excellence.

A student's medical or dental appointment during the school day will not affect Perfect Attendance as long as the student is at school for at least 3 hours and 15 minutes. The parent must present a written excuse for the student from the doctor's office in order for the partial absence to be excused and to not affect Perfect Attendance.

TRANSFERRING TO ANOTHER SCHOOL

The school must be notified in writing by the parent(s) of a student regarding a decision to transfer a student to another school, including the last day the student will attend classes at school. All school-owned materials such as textbooks and library books must be returned to school and all fees paid before leaving. Scholastic information will be sent to the new school upon a "Release of Student Records Form" from the new school. All fees and tuition **MUST BE PAID** prior to the release of the student's records.

LUNCH PROGRAM

Rules for acceptance and participation in the U.S. Department of Agriculture Child Nutrition Programs are the same for all students without regard to race, color, sex, age, handicap or national origin. Any person who believes he or she has been discriminated against in any USDA related activity should write to the Secretary of Agriculture, Washington, DC, 20250.

Students are to have a nutritious lunch. Students are not allowed to share or swap lunch or snack items with other students for many reasons, including risk of allergic reaction, parent knowledge of food consumed by their child, as well as respect for others.

If a student does not have their lunch, the parent will be called to bring lunch to school.

Epiphany will not have lunch items available for students. If a parent is unable to bring lunch in a timely manner to their student, we ask that they have an alternate plan in place to respond in a timely manner to bring lunch to school.

ARRIVAL AND DISMISSAL

Each school should formulate a policy of traffic, pedestrian, bike, and bus safety for its students and communicate this policy to all school personnel, students, and their parents/guardians. Older students in elementary schools and secondary school students may serve as traffic/pedestrian safety patrols at the discretion of the school principal. Within the scope of this designation, the students shall work under the supervision of and in cooperation with the school principal and the local police liaison for safety issues.

ARRIVAL

PRESCHOOL 4-GRADE 8 STUDENTS

Car drop-off lines should enter East Grandview Avenue via Main Street or Old Rixeyville Road. Vehicles should proceed through the upper parking lot, make a U-turn, and then turn right into the circle around the front entrance of the main school building. To ensure a smooth flow of traffic, cars must avoid blocking incoming traffic by refraining from turning left into the circle. This process helps maintain an efficient and orderly drop-off system for everyone. Parents proceed to the cone as directed to drop off/pick up their student. Students must be loaded/unloaded from the passenger side of the vehicle for safety purposes.

Drop-off time for students in preschool 4 through grade 8 begins at 7:45 a.m. Students will be dropped off at the main building. The principal and safety patrols will help unload cars in the drop-off line. Students will proceed to their classroom where the classroom teacher will greet them. Parents are asked to refrain from walking their children to class.

Families arriving after 8:00 a.m. will park and escort their children to the main office, where they will be signed in by their parents. Students will proceed to class. Students are never to be dropped off at the doors and left after 8 a.m.. The policy at Epiphany is that students will be signed in and handed over adult to adult.

PRESCHOOL 3 STUDENTS

Drop-off time for students in preschool 3 begins at 8:15 a.m. Parents may escort their children into the main entrance of the school and bring them to the classroom. Preschool 3 students arriving on the bus will be walked to their classroom by an adult.

DISMISSAL

PRESCHOOL 3

Preschool 3 students will be dismissed at 11:15 am. Parents will wait in the carpool line and teachers will meet them at the front door of the school. Preschoolers need to be picked up no later than 11:30 am.

PRESCHOOL 4 - GRADE 8 STUDENTS

All students in grades Preschool 4 through Grade 8 will gather in their homerooms at 2:50 p.m. for announcements and prayer. Students will be dismissed in silence as they are called by the teacher on duty and assisted to their car by a safety patrol. Students are expected to be picked up by the conclusion of dismissal at 3:15 p.m.

Each family will be assigned a unique carpool number, and a corresponding mirror tag displaying this number will be provided to hang in your car during dismissal. This tag ensures a smooth and efficient pick-up process. If a car arrives without the tag clearly displayed, it will be asked to pull to the side so that the driver's identity can be verified before the student is released. This procedure is in place to maintain the safety and security of all students during dismissal.

If someone other than the student's regular pick-up person is to take the child into their care, the parent must send a note, email, or call the school office to give permission. The receiving parent must also be aware that they will be picking the student up from school. Epiphany will not honor requests from parents to ask or make arrangements for another parent to take a child.

EXCUSING STUDENTS FROM THE CLASSROOM

Early dismissal notices from home should be forwarded to the school office in the classroom mail envelope. The school office will call for students who are being dismissed early, or those with scheduled appointments. All students must be signed out in the office prior to being released.

KEEPING STUDENTS AFTER SCHOOL

Written permission must be presented to the teacher for children staying after school for clubs, tutoring, make-up tests, etc. Teachers are responsible for the child until the agreed upon pick up time. The teacher will bring student(s) to the communicated pick-up spot (Main Entrance, side door, gym, etc.)

ARRIVAL AND DISMISSAL - GRADES PRESCHOOL 4-8

3. IV. GENERAL SCHOOL POLICIES

ADMINISTRATIVE

STUDENT CUSTODY AND GUARDIANSHIP

At the time of school entry or at any other time where a change in custody status/arrangements occurs, it is the responsibility of the parent(s) to provide the principal/administration with a true and correct copy of the legal document for any student for which there is a legal custody agreement or for any student not residing with his/her parent.

School communication with the appropriate guardian is essential. Accordingly:

- a. Custodial parents should identify, in writing, other adults who may have access to information regarding their child.
- b. Non-custodial parents may receive information (when requested) regarding the child unless specific documentation to the contrary is provided in the legal custody agreement.

ACCESS TO RECORDS

Parents/Guardians have a right (unless prohibited by the courts in a custody agreement) to the timely inspection of the educational records (cumulative and confidential) of their child during school hours. The school shall respond to reasonable requests for explanations and interpretations of the records.

If the education records of a student contain information on more than one student, the parents are limited to the specific information about their child only.

Student records shall be open to authorized school personnel only (principal, assistant principal, and those to whom they extend access within a given year.)

The School administration may elect to provide, at cost, photocopies of a student's educational records to parents, but documentation is to be stamped "unofficial."

TRANSFER OF RECORDS

Schools may disclose a student's cumulative record (i.e., Permanent Record card, attendance card, test results) to another school with legitimate educational interest provided a written request for such records is received, or when those individuals to whom the custodial parent/guardian has given written permission, have requested the child's records to be released. Parent signature is required for release of a student's confidential file (i.e., special education records, psychological reports, disciplinary records, anecdotal information, or reports by the school counselor).

Only copies of student records may be released. Original Cumulative Health Record and MCH-213 transfer with the student.

Parents/guardians may not hand-carry records to another school, except under extraordinary circumstances. If this occurs, the records are to be placed in a sealed envelope and marked "hand carried."

As a general rule, each school, at the discretion of its principal, shall have the right not to certify the student's graduation or provide transcripts of the student's academic record to third parties such as other schools, colleges, or employers, or to issue a Certificate of Diploma to the student, if there has been a breach of a material condition of the contract (i.e., failure to meet financial obligations, infractions against the school's code of conduct).

CONFIDENTIAL ACADEMIC RECORDS

Parents/guardians are obligated to share educational/psychological testing results and any resulting plan with the school. If a student has a documented disability, a copy of the Individualized Education Plan (IEP), Individualized Services Plan (ISP), 504 plan, and/or Student Assistance Plan (SAP) should be maintained in the student's confidential file. The refusal to provide such information is grounds for terminating enrollment in the school.

Confidential records for dis-enrolled students are merged with the students' cumulative files.

RETENTION OF RECORDS

The following student records are to be retained indefinitely:

Permanent record card (to include transcripts, attendance record, and standardized test results)

The following student records are to be retained for 25 years:

- a. IEP/ISP or 504 Plan
- b. Student Assistance Plan
- c. Eligibility Minutes
- d. Student Assistance Team minutes

The following student records are to be retained for 7 years, or when the students reaches the age of 25, whichever is greater:

- a. Application
- b. Counselor notes
- c. Discipline notes
- d. Court Documents
- e. Psychological reports

SCHOOL VISITORS

All persons other than school staff and currently registered students must first report to the school office immediately upon entering school grounds, sign-in, and wear an identification tag when visiting the school.

SCHOOL COMMUNICATIONS

Epiphany Catholic School uses SchoolMessenger[®] to communicate important school information via phone, email, and text. Families are asked to provide phone numbers and email addresses to receive emergency communications and important school information and notices. Any changes to contact information must be given to the school office immediately to ensure effective communication.

Important information may be found on the school website. A school directory, full year school calendar, monthly calendar and weekly reminders will communicate important information and dates for families. All families are asked to read all SchoolMessenger[®] communications.

A weekly newsletter will be sent highlighting school events. Each teacher has a Schoology course that will keep parents updated on classroom happenings, upcoming classroom events, and homework and project assignments. Student agendas are used to record homework, important project due dates, reminders and daily student behavior. Teachers may require a parent signature.

Parents are expected to monitor their student's academic progress by using the Parent Portal using the following link: <https://arlingtondiocese.powerschool.com/public/>.

Parents are provided Parent Portal account information when their student is registered, or when they enter kindergarten. The information package explains how to set up the account and how to navigate through the Parent Portal. Parents are asked to communicate with teachers if there are any concerns.

PRINCIPAL'S COMMUNICATION

The Principal's door is always open to parents for sharing ideas, asking questions, or discussing concerns. However, parents will always discuss classroom concerns with the teacher prior to bringing a concern to the principal. Open two-way communication is most important for the success of our school and our students.

TAKE-HOME COMMUNICATION

All materials prepared by parents/guardians for release to the parish or school community must be approved by the principal or his/her designee.

Important information may be found on the school website. A full year school calendar, monthly calendar, occasional flyers, newsletters, and weekly reminders will communicate important

information and dates for families. All families are expected to read all SchoolMessenger® email and text message communications. A weekly folder will go home every Wednesday which may contain PTO and other flyers, and student work from the previous week. Parents are expected to remove and read the information in these folders and return them to school the following day.

Each teacher will use Schoology to keep parents updated on classroom happenings, upcoming classroom events and homework and project assignments. Reach out to your child's homeroom teacher for information on signing up for your Schoology account.

Student agendas are important means of parent-teacher communication. Students in grades 1-5 have an agenda notebook that is to be reviewed by parents nightly. Teachers use the agenda to relay messages home. Middle school students are expected to bring an agenda to record homework, projects, and other important information.

TELEPHONE USE/MESSAGES FOR STUDENTS

The school office phone may be used by students to phone home provided that the teacher has approved the reason for the phone call and office staff is aware that the phone is being used. Parents may call the school office to leave a message for a student that will be delivered at the end of the day (exceptions for time sensitive messages if possible.)

INCLEMENT WEATHER/SCHOOL CLOSINGS

In addition to the traditional 180 school days, schools should add at least three extra days to the school calendar each year to accommodate days off due to inclement weather or other non-weather related emergencies. In the event these inclement weather/emergency days are not used, schools may dismiss for summer after completing the required 180 school days. If, however, during the course of the year, the school uses more than three inclement weather/emergency days, it is not necessary for the school to extend its school year beyond the 183 budgeted days, provided the school has surpassed 1038 hours of instructional time (as defined by the Commonwealth of Virginia).

If, during the course of the year, the school uses inclement weather/emergency days, it may be necessary to modify the published school calendar.

If school closes unexpectedly for a single day, there will be no academic requirements for that day. If, however, the school will be closed for an extended period due to weather or public health concern, the school will transition into on-line (eLearning) for the required duration and students will meet academic requirements.

Epiphany will follow the decision of Culpeper County Schools for the first three (3) calendar days of an inclement weather event. The principal will make the decision, if necessary, on the 4th calendar day. Faculty, staff and families will be notified by phone, email and text (if requested) through SchoolMessenger®.

OPENING DELAY

Epiphany will follow the decision of Culpeper County Schools to delay the opening of school for the first three (3) calendar days of an inclement weather event. The principal will make the decision, if necessary, on the fourth (4th) calendar day. Faculty, staff, and families will be notified by phone, email, and text (if requested) through SchoolMessenger©.

TWO HOUR DELAY:

- Arrival will begin at 9:45 a.m.
- School Day will begin at 10:00 a.m.
- Preschool 3 will end at 11:30 a.m.

EARLY CLOSING WHILE AT SCHOOL

Epiphany will follow the decision of Culpeper County Schools for an early closing of the school day. Families will be notified by phone, email, and text through SchoolMessenger©. Parents will need to respond immediately or have alternative (and local) plans in place in case they are not able to arrive at the time school is closed.

Parents are encouraged to pick up their children as soon as possible if they are concerned about driving conditions.

If school is closed for inclement weather, or has closed during the school day, all afternoon and evening activities are also canceled.

PHOTOS AND OTHER MEDIA

Parents/guardians may opt their children out of participating in videotaping, audio recording, school pictures, other photography, or participation involving the Internet. When a parent decides to exercise this right, the school is required to use the *Waiver/Right to Object* form (*Appendix N*). All student or parental publications are subject to review and approval by the school administration prior to publication.

LIBRARY

All books chosen for classroom reading in Diocesan schools must be appropriate for students, not only in age level and reading ability, but also for the moral development which we are working to foster. All books shall conform with Diocesan policies and guidelines regarding Catholic education.

Parents, guardians or teachers who object to reading or multi-media/audio-visual/computer materials used in the classroom must complete an Objection to Content Form (Appendix K) after they have read the book or viewed the media and then submit it to the school principal. Those objecting to materials obtained in the school library should complete Objection to Content Form for Library Materials (Appendix K-1). A review committee (to include an Office of Catholic Schools member) will subsequently discuss the objection and decide the disposition of the

challenged material. The parent or teacher initiating the review should be personally notified of the results of the review. The Superintendent of Schools has the final say in any subsequent question of this review.

FIELD TRIPS

Class visits to places of cultural or educational significance enhance the lessons of the classroom. Field trips, virtual or in person, are planned by teachers and approved by the school administration with educational purposes as the primary objective and in light of financial considerations.

Field trips are considered an extension of the school day and the code of conduct will apply.

A permission form signed by a student's parent(s)/guardian (s) must be obtained prior to a student participating in each activity (Appendix R, available in PowerSchool).

In the event private automobiles/vehicles of students, parents, or other authorized adults of at least 20 years of age are to be utilized to transport students on field trips, the drivers and/or the vehicle owners must have a valid driver's license and sufficient liability, medical, and uninsured motorist insurance coverage as defined by the Diocesan Risk Manager. Evidence to this effect must be presented to the principal/administration for review and approval prior to the use of such vehicles. Appendix R-1 must be used for this purpose. The principal/administration shall have the right to prohibit, for any reason, a proposed driver from transporting students on a field trip.

Youth weighing less than 100 pounds may not be seated in the front seat.

Cell calls and texting are not permitted while driving.

Parents/guardians are to be furnished with detailed written information about the field trip and must be given the opportunity to “opt out” their children from the field trip.

Teachers and other school employees should not drive students in their personal vehicles.

It should also be understood, in light of world conditions and specifically threats of terrorism against Americans, that it may be necessary to cancel school-sponsored trips due to world and national developments at any time.

School-sponsored ski trips are not permitted.

Alcohol shall NEVER be served to minors, regardless of cultural norms and/or parent permission while on a Field Trip/Experience.

All medications given on field trips must comply with medication administration policies. For a student with prescription medication and/or medically necessary health related procedures or treatments, a trained individual needs to be present on the field trip such as; a school nurse, parent/guardian, or designated family member to ensure care in the case of an emergency. If a trained individual of the school is unable to chaperone the student on a field trip, it is the

responsibility of the parent to provide a trained individual to accompany the student.

Field trip participation is limited to enrolled students, teachers, staff, and parent volunteers of Epiphany Catholic School. Parents who volunteer as a chaperone must be *VIRTUS* compliant and OCPs approved. Driver volunteers must be registered as an Authorized Driver with the Diocese. Packets for child protection clearance and driver authorization are available from the school office. *VIRTUS* workshop sessions will be offered throughout the Diocese during the year. Information for training sessions may be found with *VIRTUS* required paperwork.

OVERNIGHT TRIPS

Overnight trips are not permitted for elementary school children.

MARCH FOR LIFE POLICY

Students are offered varied opportunities to participate in activities that promote the sanctity of life.

Principals may permit students in grades 7 through 12 with permission of their parent/guardian to participate in the March for Life in a group sponsored by the school or the parish. Procedures detailed under "School-Sponsored Trips" (Policy 609) must be followed. The principal is not authorized to permit students in grades K through 6 to participate as a group in the March for Life. Students with written parental permission may accompany their parents on the March for Life.

Students who accompany parents on the March for Life should not be marked as absent for that day. From time-to-time it has been the case that world or local events raise concern about the advisability of school-sponsored student participation in the March for Life and related events. When this happens, principals should use prudent judgment when deciding on attending the March and should consider appropriate alternatives that can be conducted at the school level.

GRADUATION REQUIREMENTS/CEREMONIES

Students must earn their certificate of completion. The school does not guarantee the award of this certificate to students. In order to graduate, students must satisfactorily complete (by attaining a passing grade) all courses as required by the Diocese of Arlington and the Commonwealth of Virginia. In addition, students must comply with all school regulations and policies.

The principal shall have the right to withhold certification of a student's graduation or provide transcripts of the student's academic record to other schools, or to issue a Certificate of Completion to the student, if there has been a breach of a material condition of the contract (i.e., failure to meet financial obligations or infractions against the school's code of conduct).

Graduation ceremonies should be simple and dignified.

The Liturgy is highly recommended. Certificates signifying completion of studies may be given upon completion of 8th grade.

PARENT ORGANIZATIONS

Parent-Teacher Organizations (and like-named entities) support the critical relationship between schools and parents, the primary educators of their children. These organizations help the head of school/principal advance the school's mission.

"...since parents have conferred life on their children, they have a most solemn obligation to educate their offspring. Hence, most parents must be acknowledged as the first and foremost educators of their children. Their role as educators is so decisive that scarcely anything can compensate for their failure in it. For it devolves on parents to create a family atmosphere so animated with love and reverence for God and men that a well-rounded personal and social development will be fostered among the children. Hence, the family is the first school of those social virtues which every society needs..." (Declaration on Christian Education – Vatican Council II)

All parent organization activities and all materials prepared by parents must be submitted to the principal/administration for approval prior to implementation and/or distribution.

All PTO monies must be deposited in the parish or school account as designated by the pastor. In consultation with the principal, the PTO officers should prepare a budget and submit it to the pastor and principal for approval.

Persons nominated to serve as a PTO board member must receive the approval of the pastor and principal.

Every school should have an effective Parent-Teacher Organization. An effective Parent-Teacher Organization helps the head of school/principal advance the school's mission. It can also help mobilize the parent community regarding legislative proposals impacting Catholic education.

Every school should have a representative on the Diocesan Council of PTOs.

FUNDRAISING

Any program of generating additional revenue should have the approval of school leadership (pastor, principal, head of school). These activities should be organized and executed so that the school program is not interrupted.

Students may participate in, and cooperate with, worthy collections and fundraising projects conducted by a school or parish, provided such activities have been approved by the school leadership (pastor, principal, head of school).

Epiphany Catholic School has a very active and supportive PTO who sponsors several school fundraisers each year. All faculty and families are asked to help with and participate in these events. Fundraising is an integral part of the financial stability of the school. By providing one's

time and talents to these events, parents may be assured that students are provided the environment and activities that enhance their learning experience on many levels.

Our school community is built on parent involvement and their commitment to our success.

TRANSPORTATION/PARKING

Older students in the school may serve as traffic/pedestrian safety patrols at the discretion of and upon designation by the school principal. Within the scope of this designation, the students shall work under the supervision of and in cooperation with the school principal and the local police liaison for safety issues.

Grades 5-8 are responsible for safety patrol. This is a service project for the school, so all students are encouraged to participate. Safety patrols are to arrive by 7:45 a.m. Afternoon duty will end at 3:15 p.m. and those students must be picked up at that time.

4. V. FINANCES

DIOCESE OF ARLINGTON TUITION ASSISTANCE PROGRAM

APPLICATION PROCESS & REQUIREMENTS

All school families participating in the program must submit the same application form (available in English and Spanish) along with all supporting tax documents as required and a processing fee payable to the private vendor.

To be eligible to receive funds from this program, students must satisfy all of the criteria described below:

- a. A baptized Catholic or convert officially received into the Church
- b. Family resides within the boundaries of the Diocese of Arlington
- c. Family is registered and an active member of the parish
- d. Student attends, or is accepted by, a Catholic school in the Diocese of Arlington

The deadline for submitting applications to the contracted vendor is determined annually. Applications received after the stated due date will be considered for tuition assistance if funds are still available.

Although students from families residing on local military bases are not domiciled in a Diocesan parish, those students are eligible for the Diocese of Arlington Tuition Assistance Program.

The funds from the program will be paid directly to the school that the qualifying student attends. Schools will credit the tuition accounts for those families who have been approved to receive aid for that school year.

SCHOOL TUITION POLICIES

A family's tuition obligation continues even when the school shifts to an eLearning model. The education of each student continues with teachers planning and delivering lessons and assessing student progress. Report cards will be distributed at the end of each grading period. If a parent/guardian cannot make the regular tuition payment, the principal should be notified as soon as possible to create a payment plan.

Tuition and fees may be paid in full or in installments. Epiphany Catholic School requires all families to utilize the services of FACTS Tuition Management. FACTS provides a direct debit plan. There is a one-time convenience fee charged by FACTS for using the payment plan. Families choose their method of payment at the time of student registration and will register with FACTS and create an account. Parents have the option of the date their payment is drawn and how many payments they wish to make. Families that do not indicate otherwise at the time of registration will make 12 payments, June through May.

TUITION AND OTHER FEE SCHEDULES

The 2024-2025 application fee and tuition schedule are outlined below.

*Application Fee	\$75.00 – Per Student
-------------------------	------------------------------

Annual Tuition K-8	1st Child	2nd Child	3rd Child
Tuition	\$7,990	\$7,191	\$6,392
Parishioner Tuition	\$7,219	\$6,497	\$5,775
Preschool Tuition	2 Day Program	3 Day Program	5 Day Program
3-year-old program	\$2,300		
4-year-old program		\$4,320	\$6,500

*The application fee is non-refundable. Once registered, if the decision is made not to attend Epiphany, the office must receive notification in writing indicating the effective date of the withdrawal. The cancellation penalty once school is in session is \$100/student. The parents will also need to pay the prorated tuition for days enrolled.

EXTENDED DAY CARE

Epiphany does not currently have an Extended Day Program.

BUS TRANSPORTATION

Epiphany Catholic Schools offers bus transportation. Space is limited to four 14 passenger buses. Transportation is not guaranteed for all students. Priority will be given to students that are unable to attend the school without transportation. The transportation rates are listed below.

	1st Student Annual Rate	Sibling(s) Annual Rate
Daily Two-Way Transportation	\$910	\$455
Daily One-Way Transportation	\$585	\$310

CONTINUOUS ENROLLMENT INITIATIVE

Epiphany School is pleased to move to a new approach to the re-enrollment of students. In consideration of the fact that most Epiphany School families choose for their child/ren to remain in our program through 8th grade graduation, we now have a process by which your child(ren) will be enrolled with us through the coming years. The Continuous Enrollment system will reduce paperwork and increase efficiency of what had previously been an annual process,

thereby providing greater convenience for parents. The Continuous Enrollment contract, signed only once per child, will eliminate the re-enrollment process, and instead will continuously enroll your child/ren through 8th grade or if necessary, until such time that you complete the withdrawal process. With submission of this contract, there will be no need for future completion of an annual re-registration form.

Please note that failure to complete the contract by the deadline may result in a space not being reserved for a child for the upcoming school year. Epiphany School recognizes that family plans change. For the following circumstances, families may withdraw from Continuous Enrollment for the following reasons:

- 1) Educational needs of the student can no longer be met at Epiphany School as determined by the administration.
- 2) Withdrawal at the request of Epiphany School
- 3) Family relocation
- 4) Completion of the FACTS financial aid application by the March deadline and the determination by the family that the level of financial aid awarded will not be sufficient for the upcoming school year.

ADMINISTRATIVE FEE

The mission of Epiphany School is also supported by the Administrative Fee, which allows for the purchase and use of books and classroom supplies, computer and software licensing fees and services, etc. The Administrative Fee is charged through FACTS in July and is non-refundable. The Administrative Fee per year, per student is \$75.

ATHLETIC PROGRAM FEE

Epiphany Catholic School offers an athletic program which is supported by the annual athletic fee paid by each family. This fee covers the cost of referees, replacement of equipment, athletic uniforms, etc. The athletic program fee is charged through FACTS during the week of the first scheduled practice. The Athletic Fee is \$65.00 per student, per sport.

PTO FEE

See *Parent Organizations* section for information regarding PTO. The annual PTO Fee supports the PTO's efforts to assist the principal, staff, and faculty in advancing the school's mission. The PTO Fee is charged through FACTS with the first tuition payment of the school year through the family's FACTS account for payment of tuition and fees. The PTO Fee is charged through FACTS in July and is non-refundable. The PTO Fee is \$50 per family each year.

5. VI. CO-CURRICULAR AND EXTRA CURRICULAR ACTIVITIES

PARTICIPATION

In order for sportsmanship to be rooted in Catholic values, it is expected that coaches, athletes, and fans display respect, civility, and responsibility in words and actions before, during, and after all athletic contests and/or practices. These policies are developed to assist the schools in accomplishing their goal of providing a Catholic education which is rooted in the teachings of the Catholic faith, especially the practice of respect for each person. The policies outlined in this section exist to ensure good sportsmanship and fair play.

Participation in co-curricular and extra-curricular activities is a privilege, not a right. Students who successfully meet the school's academic requirements and adhere to the code of conduct may participate in co-curricular and extra-curricular activities. Girls are not allowed to participate in boys' football and/or wrestling activities.

When possible, separate athletic teams will be offered for each sex. Young people will participate on teams consistent with their biological sex and may not participate on teams offered for the other sex. When (for example, in swimming or track) a team may include both sexes, individuals will participate in events consistent with their biological sex. In the case of golf, if separate male and female teams are not offered, members of both sexes may participate together on a single team in the same events. Girls are not allowed to participate in boys football and/or wrestling activities.

Students participating in school-sponsored team athletic activities must have proof of an annual physical. Submission of a pre-sport participation physical examination form and consent form for elementary- and middle school-based athletic program participation is required, excluding parish CYO.

When a student is requesting a waiver from participating in Physical Education classes and/or recess, parents/guardians are required to submit a written statement from their child's physician that states any activity restrictions with regard to participation in Physical Education classes and/or recess. The statement is expected to include a specific time frame for the activity restrictions.

TRANSPORTATION OF ATHLETES

Students participating in a school-sponsored sport who wish to drive to and from practice and games in a privately owned vehicle must have a written permission from their parents/guardians. This approval does not permit a student to transport other passengers, under any circumstances, unless that passenger is a member of the carpool as permitted by the parents and administration.

Although CYO athletic teams are separate and distinct from parish/school activities, the pastor/principal retains the right of possible intervention by the school in the event a significant incident would bring the reputation of the parish and/or school into question within the community.

Epiphany has three 14 seat buses for transportation to/from school and for sports teams. In some instances, the capacity of the vehicles may not accommodate the size of the team(s). In these exceptional cases, parents may need to provide additional transportation. Parent drivers must meet the Parent Driver requirements unless driving their child/ren only.

SUPERVISION OF STUDENTS

The school is not responsible for providing supervision for students who remain on school property after the conclusion of the instructional day, unless the student is enrolled in an extended day/after care program, or participating in a school-sponsored activity (such as athletics or theater).

6. VII. STUDENT RESPONSIBILITIES & BEHAVIOR

CODE OF CONDUCT

In all areas of learning, discipline must be considered in the development of the whole person. The Code of Conduct is based on the Gospel message of Jesus. Growth in self-discipline, a responsibility for Catholic moral values and a loving respect for the rights of all persons is encouraged and nourished by the Code of Conduct. To achieve these ends parents/guardians, faculty, and students work together to create a Catholic school environment. These basic components include:

- a. Teachers have a right to teach. No student will stop the teacher from teaching.
- b. Students have a right to learn. No student will stop another student from learning.

Based upon the Catholic moral values and loving respect for others taught by Jesus, students:

- a. will be honest and committed to integrity.
- b. will be respectful and courteous toward all teachers and adults.
- c. will refrain from harassment of any kind.
- d. will use appropriate language.
- e. will speak respectfully to and about others.
- f. will complete all assignments and participate fully in class.
- g. will respect all school and personal property (see *Care of School Property*).
- h. will refrain from any deliberate disruption in the school.
- i. will adhere to the school's cell phone policy.
- j. will comply with the Internet Responsible Use Policy.
- k. will demonstrate good sportsmanship when engaged in all school-sponsored co- and extra-curricular activities.
- l. will be present for all required activities unless officially excused by the administration.
- m. will adhere to the dress code (see *Dress Code*).
- n. will not give or receive unauthorized assistance on tests, quizzes, or assignments.
- o. will not leave school grounds during the school day for any reason without permission from the principal/administration.
- p. will not bring to school, nor possess at school, any real or toy knives, guns (or any facsimile thereof), sharp objects that may be used as a weapon, matches, lighters, sparklers, laser devices, or any facsimile thereof. It is understood if this term is violated, suspension, or expulsion may result (see *Substance Abuse/Weapons* and *Inappropriate Materials*).

- q. will maintain, and support others who maintain, a safe and drug-free environment at, or near, school and at all school sponsored functions/activities with the understanding that possession or distribution of alcohol, drugs, tobacco, or any other substance that may be harmful or dangerous and forbidden to include drug paraphernalia will result in suspension or expulsion from school (see also *Substance Abuse/Weapons*).
- r. will not engage in any physical or verbal contact with another student which could be interpreted to be an inappropriate display of affection. Such conduct is prohibited on school grounds or at school-sponsored activities.
- s. will, at all times, whether at school or in the community, conduct themselves in a manner which reflects the Catholic values and principles of the school.

The school observes this Code of Conduct because it is built on fundamental Catholic social teachings. The role of the principal/administration, staff, and faculty is to work with the students and parents/guardians to assist the students in developing a strong Christian attitude toward life.

SUBSTANCE ABUSE/WEAPONS

The school makes every effort to make students aware of the dangers and consequences of the unlawful use of substances.

It is unlawful for any person to manufacture, sell, distribute, or possess with intent to sell, give, or distribute any controlled substance, imitation controlled substance, or marijuana while upon the property of the school; on any school bus; upon any public property or any property open to the public use within 1000 feet of the school (or any school bus stop when students are waiting to be picked up and transported to or are being dropped off from school or a school-sponsored activity.) If a student knows or suspects that any of the foregoing activities are occurring, he/she must immediately report the matter to the school administration/faculty so the appropriate law enforcement agency may be contacted.

If a student is suspected or is discovered to have (a) violated the foregoing policy with respect to any controlled substance, imitation controlled substance or marijuana or (b) used, possessed or distributed alcohol, tobacco, or e-liquids while upon the property of the school; on any school bus; upon public property or any property open to the public use within 1000 feet of the school (or any school bus stop when students are waiting to be picked up and transported to or are being dropped off from school or a school-sponsored activity), the student will be subject to disciplinary action, up to and including expulsion. In the event school officials believe that a student is under the influence of an illegal substance, the parents/guardians will be notified, and the student will be removed from class. School officials reserve the right to require that the student be taken for drug testing within 24 hours and that the results of the testing be shared with the appropriate school officials. If, however, a violation of the law has occurred, the proper law enforcement agency will be contacted (see also Policy 615).

A student shall not possess or use drug paraphernalia, including, but not limited to, e-cigarette delivery devices, e-cigarette accessories, vaping devices, water pipes, cigarette paper rolling machines, and miniature scales on the property of the school, on any school bus and/or at any school-sponsored activity, whether discovered in an authorized search of his or her private

property (Policy 615.1) or on school property (e.g., lockers – Policy 615.2). Any student who violates this provision will be subject to disciplinary action up to and including expulsion.

A student shall not possess, use or threaten to use on the property of the school, on any school bus; and/or at any school sponsored activity, any weapons (including but not limited to any pistols, revolvers, rifles or other firearms, stun weapons, tasers, knives, flailing instruments [which may sometimes be known as nun chucks or fighting chains], slingshot, metal knuckles, any type of pointed metal throwing disk or dart, mace, pepper spray, or other similar propellant or any type of explosive, incendiary or poison gas, bomb, grenade or rocket) or any facsimiles thereof, or any object that can be used with the intent of threatening or harming an individual, except when expressly authorized by a member of the school administration/faculty for authorized school purposes (such as knives for use only in food preparation activities in family life/home economics class; chemicals solely for use in instructional lessons as part of the school's academic curriculum; etc.). Any student who violates this provision will be subject to disciplinary action up to, and including, expulsion. If there is reason to believe a violation of law has occurred, parents as well as the proper law enforcement agency, will be immediately contacted.

DISCIPLINE

Because it is impossible to foresee all problems which arise, this handbook empowers the faculty and administration to take disciplinary action for any behavior (within or outside of the school community) which violates the spirit, philosophy, and code of conduct of the school, even though not specified.

In justice to the other students, circumstances may dictate that a student be removed temporarily or permanently from the particular school setting.

USE OF DISCIPLINARY ACTION

In cases where a student is continually disruptive of others or in the case of a single serious disciplinary infraction, the teacher will apprise the principal/administration of the situation. They will assist in the development of a course of action to be taken to correct the situation.

Students who lack self-discipline or who violate the rights of others can expect disciplinary action. Each offense will be dealt with on an individual basis according to the age of the student, the nature of the infraction, and the severity of the case. Repeated infractions can result in more serious consequences, up to, and including, suspension and/or expulsion, but there is no requirement for progressive discipline.

DISCIPLINARY MEASURES

The following are some approved disciplinary measures:

- a. Counseling and/or conference with the student and family
- b. Assignment of special tasks

- c. Denial of privileges
- d. Detention
- e. Probation
- f. Suspension
- g. Expulsion

SPECIFIC DISCIPLINARY POLICIES

Teachers will provide a thorough explanation of expectations for their class at Back to School Night. General information applicable to all grades is listed here.

All grades will utilize a clipboard system that moves from class to class with the students and allows all teachers to indicate any discipline or pertinent student information to the homeroom teacher on a daily basis, so that information may be communicated to parents. Any student who is absent will be highlighted.

SUSPENSION

Suspension may be imposed as determined by the principal/administration. Once the principal/administration suspends a student, parents/guardians may be required to sign a behavioral contract in which they signify their understanding of the problem and agree to work with the school in correcting the situation.

The failure of the parents to execute the above referenced agreement shall preclude the student from returning to the regular instructional program. This policy applies to in-house and out-of-school suspensions.

EXPULSION

Expulsion may be resorted to when one or all of the following are present:

- a. a serious infraction of school rules occurs;
- b. the student has demonstrated continuing disregard of school rules for which other means of discipline have proven ineffectual;
- c. the student's continued presence in the school is considered by school officials to be a serious hindrance to the safety or welfare of the school community;
- d. a parent/guardian repeatedly or seriously violates proper school protocol, displays inappropriate or disruptive conduct toward students or displays disrespectful, disruptive, or harassing behavior toward teachers, school, parish, or diocesan staff.

If the principal/administration believes it necessary to expel a student, the principal/administration will notify the student and the student's parents about the student's action and provide them with an opportunity to respond in accordance with the school's

disciplinary hearing process before making any final decision on the matter.

A parent/guardian whose child is expelled may appeal this decision in writing to the Superintendent of Schools within five (5) working days from the time of written notification.

During the pendency of any appeal, the expelled student shall be removed from the school community in compliance with the expulsion notice unless otherwise directed at the discretion of the principal/administration.

Students who have been expelled from any Diocesan school may not apply for admission to that school or another Diocesan school for a minimum of one (1) year from the date of expulsion.

STUDENT REGULATIONS AND PROCEDURES

Privacy of individual students must be balanced against the need to protect the health, welfare, and safety of other members of the school community.

STUDENTS AND STUDENT PROPERTY SEARCHES

The principal/administration or his/her designee has the right to protect the health, welfare, and safety of school patrons against drugs, weapons, unauthorized publications, and other contraband materials. Search of a student's person and/or personal property on school property (e.g. automobiles, etc.) or at school activities may be conducted by the school principal/administration or other designated officials. It is only necessary that a search be reasonable and related to the school rights in these regards. The failure of a student to voluntarily submit to a search shall be presumptive evidence of the existence of contraband and grounds for appropriate disciplinary action.

INTERROGATION OF STUDENTS

Unless provided with a court-issued warrant, the pastor (or principal if Diocesan high school) or the Office of Catholic Schools must first be consulted before law enforcement authorities are allowed to speak to any student for interrogation purposes of alleged illegal activities. This policy does not apply to Child Protective Services (CPS) officers, who are by law entitled to interview children.

The questioning by police officers of students in school or on school grounds about alleged illegal activities shall meet the following conditions:

- a. The principal, the assistant principal, or the principal's designee shall be alerted.
- b. The police officers shall report to the principal's office.
- c. Permission from the student's parent/guardian must be acquired, either by phone or in person, prior to questioning.
- d. The principal or a school representative shall be present.

- e. The questioning shall be conducted in a private room where participants cannot be seen or heard by students and/or other school personnel.

The police officers, under unusual circumstances, may take legal actions that they deem necessary.

STUDENTS AND STUDENT PROPERTY

Students are solely responsible for their own personal property. The school accepts no responsibility for items left unattended in the common areas of the school. It is the responsibility of the student to turn in wallets, watches, and other valuables to the physical education teacher/coach when participating in athletic events away from school. Items of personal property or clothing not directly related to academic or athletic events sponsored by the school should not be brought to school.

SCHOOL LOCKERS AND DESKS

Lockers and desks are school property and are subject to searches by school authorities to protect the safety of all. A student to whom a locker or desk has been assigned, has *vis-a-vis* other students, exclusive use of the locker or desk but has no proprietary rights versus the school.

CELL PHONES AND ELECTRONIC DEVICES

- Cell phones and other electronics use will not be allowed during school hours.
- Students with cell phones or other electronics in their possession will keep these devices in their locker for the entire school day, and they will be turned off.
- A cell phone or electronic device found on a student will result in:
 - the device being taken from the student and delivered to the school office where it will be picked up in person after school by the student's parent/legal guardian. If the school office is closed, the phone may be picked up the next school day.
 - disciplinary consequences, including demerits, detention or Saturday school.
 - consistent disregard of the school guidelines for cell phone use may result in suspension.
- In addition, any student found using an electronic device during a test will receive a 0% on that test.

CARE OF SCHOOL PROPERTY

Students are to care for school property in a respectful manner. Students who deface or damage school property or the property of others will make financial restitution. If library books are not returned, students will be assessed an amount equal to the value of the book or its replacement, whichever is greater, as determined by the principal/administration.

DRESS CODE

The dress code provides a standard for our students, which fosters an environment conducive to

learning and respectful behavior.

Final decisions regarding the school uniform rest with the principal/administration.

7. VIII. HEALTH, SAFETY, & WELFARE

STUDENT HEALTH, SAFETY, & WELFARE

Parents/guardians have the primary responsibility for the health and well-being of their children. School health services supplement, rather than substitute, for parental care and concern for the health of the students.

PREVENTION OF SEXUAL MISCONDUCT AND/OR CHILD ABUSE

The Catholic Diocese of Arlington Policy on the Prevention of Sexual Misconduct and/or Child Abuse generally applies to all clergy, all employees and all volunteers.

It is the policy of the Diocese that sexual misconduct and/or child abuse while performing any work or activity under the auspices of the Diocese is contrary to Christian principles and outside the scope of any authority, duties, and/or employment of any clergy, employee, or volunteer.

School personnel who suspect the abuse or neglect of a student must report the matter directly to Child Protective Services and to the school principal (who in turn will call the Vicar General). The school principal should complete Attachment B found in Appendix G, which must be sent to the Vicar General. The school principal must inform the superintendent as well. At that point, confidentiality must be respected.

Virginia law imposes upon school personnel the legal responsibility of reporting to the local child protective services agency any incident of suspected child abuse or neglect.

School personnel who suspect the abuse or neglect of a student must report the matter directly to Child Protective Services and to the school principal who in turn will call the Moderator of the Curia. At that point, confidentiality must be respected.

In accordance with the *Code of Virginia*, (Section 63.2–118, “Any person required to make a report or conduct an investigation or family assessment, pursuant to this chapter may talk to any child suspected of being abused or neglected or to any of his siblings without consent of and outside the presence of his parent/guardian, legal custodian, or other person standing in *loco parentis* or school personnel.”)

WELLNESS POLICY

The Diocese of Arlington Office of Catholic Schools Wellness Policy meets minimum federal standards and establishes goals for physical education, nutrition, and healthy environments in schools. All schools must develop, and continue to evaluate, local school wellness policies. The local policies create a framework for increased student activity, staff wellness, safe and healthy environments, and the elimination of foods of minimal nutritional value during the school day. All schools have wellness committees to implement, sustain, and evaluate the local wellness program.

ACCIDENTS AND FIRST AID

The parents/guardians of an injured student will be notified of the accident/injury by the principal/administration or the principal/administration's designee as soon as reasonably possible, taking into consideration such factors as the apparent severity of the accident/injury and the priority of providing assistance to the student.

If an incident results in a medical condition or injury which can be reasonably known to the appropriate supervisory faculty/staff member and/or the principal, the school and/or its staff are authorized to render reasonable basic first aid if such direct medical assistance would, in the opinion of the school, serve to minimize the severity of the injured person's condition. As an example, staff should initially resort to using only ice, band aids, soap and water when treating cuts and/or scrapes to avoid any possible known or unknown allergic reactions to salves or creams. In addition, staff may secure a professional diagnosis and/or treatment if such action, in the opinion of the school, appears to be reasonably warranted. The school and school officials shall be expressly held harmless from any liability costs or expenses associated with the professional diagnosis and/or any treatment or first aid provided (including but not limited to the cost of transportation), such costs or expenses being the responsibility of the injured party or, if a student, the student's parents.

ILLNESS

Each school will provide a health office or comfortable space, apart from the student population, where children who become ill or injured can be cared for following *Virginia School Health Guidelines*.

Children with fevers, contagious, or infectious diseases will be sent home promptly and excluded from school while in that condition, per Virginia Department of Health regulations. Once the student is confirmed to be free of communicable illness by a healthcare provider or is fever free/symptom free for 24 hours without taking anti-fever medications, the student may return to school, afterschool, and extracurricular activities.

When a student is requesting a waiver from participating in Physical Education classes and/or recess, parents are required to submit a written statement from their child's physician which states any activity restrictions with regard to participation in Physical Education classes and/or recess. The statement is expected to include a specific time frame for the activity restrictions.

MEDICATION ADMINISTRATION OVERVIEW

All school clinics, administrators, and staff are required to administer medication within the framework of the procedures outlined in Diocesan policy and summarized here.

All prescription and over the counter (OTC) medications may be administered during the school day under the following conditions:

- a. When the need for administration of medicines during school hours has been

- confirmed by the school nurse/health assistant (or the school administration);
- b. After the first dose of any medication has been given at home;
 - c. When the parent/guardian provides and transports the medication to and from school and the medication is given directly to the school nurse/health assistant or a senior member of the school administration;
 - d. When there is a health care provider's written order signed by the parent/guardian requesting the school administer the medication or to permit the student to self-administer the medication;
 - e. When the medication is brought to the school in its original container stating the name of the student, the dosage and method of administration prescribed by a physician. It is the parent's or guardian's responsibility to notify the school of any changes to the original prescription. The new prescription must also be brought to the school in the original container as stated above;
 - f. When the appropriate medication authorization form (*Appendix F-6*) has been completed, signed and accompanies the medication.
 - g. For any medication, parents must document the number of tablets or dosages to be secured for administration by authorized school personnel. If tablets are to be divided, the parent or guardian is responsible for dividing the tablets in order to achieve their child's proper dosage.
 - h. Herbal and homeopathic medications will not be given in Diocesan schools without written authorization by a LHCP that shall include desired and adverse effects. Protein supplements will not be administered unless directly requested by a physician with a health treatment plan.
 - i. Under no circumstances are medications to be shared with other students.
 - j. Picc Lines, Heparin/Saline Locks, and Central Venous Lines may be present in students with specialized health care needs. Dressing changes, heparin flushes, and other medication administration via these lines are to be done at home and should not be done at school.

When the medication is epinephrine, trained school employees are permitted to administer Epi-pen injections when:

- a. the parents advise the staff most directly involved with the student of the situations when an Epi-pen may need to be administered (e.g., symptoms indicating that a person is suffering from severe allergic reaction, basic procedures for administering the Epi-pen with a suitable demonstration);
- b. parents of students requiring such injections provide a doctor's letter attesting to the life-threatening allergy;
- c. parents agree to execute the release of liability/hold harmless agreement regarding the use of the Epi-pen (*Appendix F-6*).

All OTC and prescription medications are to be kept locked in the clinic/school office and be administered by the school nurse, clinic aide, principal or trained designee. No student is to

carry/possess medications, without appropriate medical authorization. No medication will be administered unless the school has received a signed copy of the Medication Authorization Form (Appendix F-6). OTC medications do not require a health care provider's signature unless the medication is required for four (4) or more consecutive days.

It shall be the student's responsibility to come to the clinic/school office at the appropriate time for medication unless a health care provider or parent/guardian indicates in writing that the student cannot do this.

Students are NOT permitted to self-medicate. The school does not assume responsibility for medications taken independently by the student. Exceptions may be made on a case by case basis for students who demonstrate the capability to carry and self-administer emergency lifesaving medications (e.g. inhaler, Epi-pen).

Within one week after expiration of the effective date on the order, or on the last day of school, the parent/guardian must personally collect any unused portion of the medication. Medications not claimed within that period will be destroyed.

SPECIALIZED STUDENT CARE NEEDS

The parent/guardian of any student on a continuing regimen for a non-episodic condition shall inform the school principal/administration and identify, in writing, the student's supervising health care provider. If necessary, and with parental written consent, there may be occasions when the school needs to communicate with the health care provider regarding possible effects on the pupil's healthcare management, special emergency procedures, or behavior at school.

TOILETING/INCONTINENCE

Although the vast majority of school staff would assist in an emergency situation, as no child should be left in wet or soiled clothing, it is important to note that there is no expectation that routine and predictable incidents are to be dealt with by school staff.

Parents/guardians will always be contacted in incidents of soiling. The exception to this policy is the student with a prescribed health-related treatment or procedure plan obtained in writing from a LHCP, with proper authorizations in writing by the parent or guardian.

For preschool students, it is recognized that continence training is an area of development which is reached at different ages for all children and that every child has individual needs which are respected. The preschool director will determine age-appropriate protocols for the student population.

USE OF CRUTCHES

An order from a Licensed Healthcare Provider (LHP) is required to use crutches at school. If a student arrives at school on crutches without a doctor's order, the parent will be called to take the student home.

LIFE THREATENING ALLERGY

Schools will utilize current resources and reputable materials such as; Food Allergy Research & Education (FARE) and the CDC's *Voluntary Guidelines for Managing Food Allergies in Schools and Early Care and Education Programs* to develop allergen management communications for student handbooks, classrooms, and parental publications.

All schools must provide an annual in-service educating school faculty and staff about the policy. Training will include minimizing the risk of exposure to life threatening allergies in the school setting as well as anaphylaxis recognition, medical management, and incident reporting.

Schools will utilize the policy to develop allergen management communications for student handbooks, classrooms, and parental publications. Schools will select and train staff to be utilized as anaphylaxis response teams responsible for managing an allergic crisis.

Parents/guardians of students with a life-threatening allergy must inform the principal and school health personnel of any allergies and provide schools with fully executed Diocesan documents. Parents/guardians are expected to supply schools with any emergency medications as prescribed and may additionally provide the student with "safe" foods for classroom celebrations involving food. Schools will utilize Diocesan documents to formulate an emergency care plan for the student and will share this care plan with those involved with the student including, but not limited to, teacher(s), food service, bus drivers, and janitorial staff.

CONTROL OF COMMUNICABLE DISEASES

DISEASE

Parents/guardians must notify the school within 24 hours if their child or any member of the immediate household has developed a communicable disease. Parents must notify the school immediately if the disease is life threatening. Parents must pick up their sick or injured child in a timely manner when contacted. If the parent cannot be reached, emergency contacts will be called to pick up the child.

The protection and welfare of each individual student is of importance in the schools of the Diocese of Arlington. In an effort to enhance the protection of students:

- a. No daycare/preschool, elementary, middle, or secondary school student may attend class without documentary proof of adequate immunization in accordance with Virginia Department of Health's school entry requirements (or modified schedule as approved by licensed health care provider) on the Virginia School Entrance Health Form MCH-213G (*Appendix F-2*).
 - i. Parents or guardians who object to the administration of immunizing agents for their child on the grounds that this conflicts with their religious tenets or practices must produce a notarized Certificate of Religious Exemption form (*Appendix F-18*), which will be retained in the student

health record.

- ii. Students who have traveled or resided in a foreign country for five months or more, where tuberculosis is common, are required to provide documentation, prior to school entry, of a negative tuberculosis skin test or chest x-ray result. All Diocesan schools are responsible for compliance with local health department regulations pertaining to tuberculosis screening and treatment.
- b. Students with fevers and/or contagious or infectious diseases will be sent home promptly and will be excluded from school while in that condition, according to the Virginia Department of Health regulations. Once the student is confirmed to be free of communicable illness by a healthcare provider or is fever free/symptom free for 24 hours without taking anti-fever medications, the student may return to school.
- c. School health personnel will follow the Virginia Department of Health Communicable Disease Chart, found in the *Virginia School Health Guidelines*, when referring suspected cases of communicable disease to the local health department for excluding or readmitting a student.
- d. The Diocese of Arlington has comprehensive guidelines for school/parish-based influenza vaccination clinics. The liability associated with the vaccination of children is great. The Diocese of Arlington does not promote school-based vaccination clinics for children during school hours, and in the absence of the parent, with the exception of a state or federal emergency. Any school wishing to offer an onsite school influenza vaccination program must comply with all aspects of the Memorandum of Agreement (*Appendix F-18*). Vendors wishing to serve as vaccinators must be fully vetted by the Office of Risk Management prior to the consummation of any contract for services.

LICE

All students determined to have an active case of lice will be excluded from school until they receive treatment. It is the responsibility of the parent/guardian to provide appropriate and adequate treatment for the student and home environment as recommended by their health care professional. Readmission to school is determined by the school nurse/administration based upon re-inspection and the effectiveness of treatment. Follow up treatment is expected and verified by the school nurse/administration. Classroom contacts may be inspected.

BLOODBORNE DISEASE

The Christian community is called to respond to the sick in our midst with compassion and justice. The diocese recognizes its obligation to protect the rights of individual students infected with Hepatitis and Human Immunodeficiency Virus (HIV) and to provide a safe environment for students, staff members, and the public. Students who are infected with bloodborne Hepatitis,

Human Immunodeficiency Virus (HIV), or HIV-related conditions must be provided the opportunity to receive a Catholic school education in a regular classroom unless the student's health interferes significantly with school performance.

Since it is known that bloodborne Hepatitis and HIV are not transmitted through casual contact, any student who is infected will continue education in a regular classroom assignment unless his or her health status requires otherwise. It is the intent of the Diocese of Arlington Office of Catholic Schools to follow the recommendations of the U.S. Centers for Disease Control and Prevention (CDC) and the Virginia Department of Health which state that most bloodborne Hepatitis and HIV-infected children be allowed to attend school in an unrestricted setting, and that decisions regarding school attendance be based on the medical condition of each child and the expected type of interaction with others in that setting.

Persons involved in the implementation and monitoring of this policy shall maintain confidentiality of records in compliance with federal and state law and diocesan policy. All diocesan schools shall also maintain a program of information and training for school staff members to ensure a consistent and accurate understanding regarding prevention of exposure to bloodborne pathogens. This includes training related to the proper application of universal/standard precautions.

FIRE/EMERGENCY DRILLS

Teachers and pupils must be familiar with fire bell signals and the fire drill routes posted in the classroom and hallways.

An orderly evacuation of a building under the supervision of each teacher is imperative. Teachers must take the class roll book with them if at all possible without jeopardizing their own safety or that of their classes, and once outside, call class roll to account for each student.

During the fire drill everyone must vacate the building. All fire doors shall be kept closed at all times.

Fire drills will be conducted monthly. Drills will be scheduled at different times and using different means of egress. Teachers will be given the order to re-enter the building. Student emergency forms are to be kept in a sealed envelope and stored in the compartment of the clipboard. Class teacher is to bring the clipboard to the fire drill.

SEXUAL HARASSMENT AND/OR SEXUAL ABUSE – STUDENTS

Sexuality affects all aspects of the person, including in a general way the aptitude for forming bonds of communion with others. Until sexuality can be expressed through the acts which are proper and exclusive to spouses, chastity is the successful integration of sexuality within the person. Chastity is expressed notably in friendship with one's neighbor when the equal personal dignity of man and woman is recognized. Offenses against chastity, which include lust and the more serious acts of pornography and immoral sexual conduct, are violations of our Catholic faith and morals.*

The Catholic Schools of the Diocese of Arlington will respond appropriately to allegations of

sexual harassment or sexual abuse in its schools. See Part 3, Section 2, Chapter 2, Article 6 of the Catechism of the Catholic Church (¶¶ 2331-2400)

No student is to sexually harass or sexually abuse another member of the school community. All reports of harassment or abuse will be thoroughly, and appropriately investigated and disciplinary action will be taken as appropriate, up to and including expulsion. Instances of sexual abuse will result in suspension at a minimum. If it appears that a violation of criminal law may have occurred, the matter will be reported to law enforcement authorities.

“Sexual harassment” is defined as any unwelcome sexual advances, unwelcome physical contact of a sexual nature, or unwelcome verbal or physical conduct of a sexual nature. “Unwelcome verbal or physical conduct of a sexual nature” includes, but is not limited to, the deliberate making of unsolicited gestures or comments, or the deliberate display of sexually graphic materials which are not necessary for school purposes, either in person or via any media source.

“Sexual abuse” includes, but is not limited to, intentionally touching another person’s intimate parts or intentionally forcing another person to touch their own or any other person’s intimate parts. “Intimate parts” means the genitalia, anus, groin, breast, or buttocks of any person, and includes material covering such intimate parts.

Any student who believes that he or she has been sexually harassed or abused shall immediately report such information to the supervising teacher or coach, and to the school principal. A student who is uncomfortable for any reason with reporting such alleged harassment/abuse to the teacher, coach and/or school principal, or is not satisfied in doing so, may report the matter directly to the Superintendent of Schools. Any information reported shall, to the extent possible, be treated as confidential.

No student will be subject to any retaliation or disciplinary action on the part of the school for reports of sexual harassment/abuse made in good faith.

In adherence to the Charter for the Protection of Children and Young People, schools will offer each year a “safe environment program” endorsed by the Office of Catholic Schools.

In an effort to minimize/address sexual harassment/abuse, students in grades 6 to 12 must receive appropriate age level instruction pertaining to harassment by September 30th (Appendix AB). The Validation of Sexual Harassment Instruction must be completed and submitted to the Office of Catholic Schools by September 30th (Appendix H-1).

HAZING

Hazing is defined as the imposition of strenuous, often humiliating, tasks as part of a program of rigorous physical training and initiation.

Hazing is prohibited. School personnel will not tolerate any hazing on Diocesan school grounds, in virtual school, or at any school-sponsored activity (on or off school grounds). In addition, the Office of Catholic Schools expects students and parents who become aware of an act of hazing to report it to appropriate school personnel (e.g. principal, teacher, school counselor). The Office of

Catholic Schools expects staff members who become aware of an incidence of hazing to report the hazing to school administration for further investigation.

In cases of reported hazing, the principal or designee shall interview all students involved (i.e. the aggressor(s) and the victim(s)) and investigate, as appropriate. This investigation may include interviews with students, parents, and school staff; review of school records; and identification of parent and family issues. Any student who retaliates against another for reporting hazing may be subject to appropriate consequences.

Consequences for students who engage in hazing shall depend on the results of the investigation and may include:

- a. Counseling
- b. A parent conference
- c. Detention
- d. Suspension and/or Expulsion Depending on the severity of the incident(s), the principal may also report incidents of hazing to law enforcement if appropriate.

BULLYING

Bullying is defined as any aggressive and unwanted behavior that is intended to harm, intimidate, or humiliate the victim; involves a real or perceived power imbalance between aggressor or aggressors and victim; and is repeated over time or causes severe emotional trauma. Bullying includes cyber bullying. Bullying does not include ordinary teasing, horseplay, argument, or peer conflict.

Examples include, but are not limited to:

- a. Physical intimidation or assault
- b. Extortion
- c. Oral or written threats, including text messaging
- d. Malicious teasing
- e. Putdowns
- f. Name calling
- g. Threatening looks
- h. Gestures or acts of aggression (Overt and Covert)
- i. Cruel rumors & false accusations
- j. Social Isolation
- k. Cyber bullying

School personnel will not tolerate any bullying on Diocesan school grounds or at any school-sponsored activity (on or off school grounds). In addition, the Office of Catholic Schools expects students and parents who become aware of an act of bullying or cyberbullying to report

it to appropriate school personnel (e.g. principal, teacher, school counselor). The Office of Catholic Schools expects staff members who become aware of an incident of bullying to take appropriate steps to intervene unless intervention would be a threat to staff members' safety. If a staff member believes that his/her intervention has not resolved the matter, or if the bullying persists, he/she shall report the bullying to the school principal for further investigation.

In cases of reported bullying, the principal or designee shall interview all students involved (i.e. the aggressor(s) and the victim(s)) and investigate, as appropriate. This investigation may include interviews with students, parents, and school staff; review of school records; and identification of parent and family issues. Any student who retaliates against another for reporting bullying may be subject to appropriate consequences.

Consequences for students who bully others shall depend on the results of the investigation and may include:

- a. Counseling
- b. Parent conference
- c. Detention
- d. Suspension and/or Expulsion

Depending on the severity of the incident(s), the principal may also report incidents of bullying to law enforcement, if appropriate.

RESPECT FOR LIFE

A fundamental tenet of our Catholic faith is that human life must be respected and protected absolutely from the moment of conception. In the event of a student pregnancy or participation in an abortion, the school may condition continued enrollment in the school upon the student's/family's compliance with the foregoing and other corollary tenets of the Catholic Church.

ASBESTOS MANDATORY YEARLY NOTIFICATION

ASBESTOS NOTIFICATION (SAMPLE LETTER)

In the past, asbestos was used extensively in building materials because of its insulating, sound absorbing, and fire retardant capabilities. Virtually any building constructed before the late 1970s contains some asbestos. Intact and undisturbed, asbestos materials generally do not pose a health risk. Asbestos materials, however, can become hazardous when, due to damage or deterioration over time, they release fibers.

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which requires schools to be inspected to identify any asbestos containing building materials. Every _____ years, _____

School has conducted an inspection to determine whether the condition of the known or assumed asbestos containing building materials (ACBM) has changed and to make recommendations on managing or removing the ACBM. At the last inspection, all materials listed in the Management Plan as asbestos-containing (or assumed to be asbestos-containing) were inspected and found to be in good condition.

The law further requires an asbestos management plan to be in place. The _____ School Asbestos Management Plan has several on-going requirements.

It is the intention of _____ to comply with all federal and state regulations controlling asbestos and to take whatever steps are necessary to ensure students and employees a health and safe environment in which to learn and work. You are welcome to review a copy of the asbestos management plan at the school during regular business hours. _____, as Director of Operations, is our designated asbestos program coordinator, and all inquiries regarding the asbestos plan and asbestos-related issues should be directed to him/her at _____.

VIDEO SURVEILLANCE CAMERAS

School leadership at each individual school must install video surveillance cameras in order to maintain a safe and secure environment.

- a. At the discretion of the principal/head of school or his/her designees, video surveillance cameras may be placed in public locations deemed appropriate. Such locations may include, without limitation, school entrances/exits, lobby areas, hallways, classrooms, cafeterias, athletic areas, gathering spaces, and outdoor grounds, as well as school buses.
- b. Restrooms, changing rooms, private offices, nurse's offices, and locker rooms are excluded from security camera use.
- c. It is recognized that it will not be possible to monitor all building areas, rooms, and grounds, or to monitor any location at all times.

Schools making use of video surveillance cameras will provide notice to staff, students, and parents/guardians, by means of inclusion of this policy in their respective handbooks, that video surveillance may occur on school property. In addition, school leadership may elect to install signs at building entrances or other locations deemed appropriate to inform visitors and invitees that video surveillance may occur.

To the extent video images may be deemed appropriate to create student records or personnel records, the school shall comply with any applicable state and federal laws related to record maintenance, retention, and disclosure.

Video images obtained by the school shall be viewed by authorized school and diocesan personnel as necessary. The school and the diocese may rely on the images obtained by the video surveillance cameras in connection with the enforcement of diocesan or school policies, regulations, codes of conduct, building rules, and other applicable laws or rules, including, but not limited to, use of such images in student and staff disciplinary proceedings and matters referred to local law enforcement agencies in accordance with applicable law. Video images may become part of a student's educational record or a staff member's personnel record in accordance with applicable law.

All video recordings shall be stored in a secure place. Recordings will be saved for no less than 30 days and may be retained longer if deemed appropriate. All video recordings are the sole property of the Catholic Diocese of Arlington. Release of such videos will be made only with the permission of the diocesan Superintendent of Schools or his/her designee.

8. IX. STUDENTS WITH DISABILITIES

The Office of Catholic Schools recognizes the beauty and potential inherent within each student. In an effort to foster continued growth, the school embraces the opportunity to provide assistance and services for students with disabilities according to the resources available within/to the school. Parents/guardians are considered an integral part of the process.

In order to accommodate a student who has been evaluated for special learning needs, parents are obligated to share educational/psychological testing results and any resulting plan with the school. The refusal to provide such information is grounds for terminating enrollment in the school. A student may be admitted on a probationary basis with dates and criteria of evaluation clearly established in writing.

If a student has a documented disability, a copy of the Individualized Education Plan (IEP), Individualized Services Plan (ISP), 504 plan, and/or Student Assistance Plan (SAP) should be maintained in the student's confidential file. Students who have a documented disability, but do not qualify for services through the local public school, may be eligible for interventions through a Student Assistance Plan written at the Catholic school.

When a student qualifies for special education services through the public school and will not receive services, an Individualized Catholic Education Plan can be written following the information in the Guidelines for Serving Students with Disabilities.

Failure of the parent to sign the Student Assistance Plan or Individualized Catholic Education Plan does not prevent the implementation of the plan.

Students with disabilities are expected to follow the school's policies and honor code.

9. X. EXTENDED DAY

EXTENDED DAY PROGRAM

Epiphany does not currently offer an Extended Day Program.

PARENT/GUARDIAN

I have read the current **Parent/Student Handbook and/or the Preschool Parent Handbook**. In doing so, I have explained the content of this document to my child/ren. I acknowledge and agree to the policies contained therein, and will require my child/ren to comply with the policies which apply to children.

I also realize during my child's enrollment at the school that I will be informed from time to time, formally or informally, of various changes in school and/or Diocesan policies. I understand the school and/or the Diocese reserves the right to change policies at any time with or without advance notice. I further understand it is required for me to sign this form in order to continue my child's enrollment at the school.
